

The Bend Spay & Neuter Project

Hosts the Second Annual

DOG COAT DRIVE

Pets are not without warmth or shelter by their own choice. Starting now, you may donate new or gently used dog coats, sweaters, slickers, or booties, which will be distributed to homeless people and their pets, in partnership with local community outreach organizations. Pet food and bedding will also be accepted. Items can be dropped off at the Clinic.

Please help make a cold pet warm!
